Subject: Tenant at 111 Sullivan 2BR hammering and drilling late nights

Hi Adnan,

Here are my notes from this week.

- Sunday 3/29 tenant in 2BR was drilling again -- after the flood he caused with all the drilling he's been doing -- and hammering again from 10:18 PM until approximately 11 PM
- Wednesday 4/1 into Thursday 4/2 there was hammering and drilling (mostly hammering) at 1 AM that lasted for

approximately 30 minutes.

- Last night 4/2 was outrageous, he started hammering after 9 PM And KEPT going until 10:27 PM - interrupted his hammering to have a screaming fight with neighbor on the 4th floor who was complaining about the crazy noise. Tenant in 2BR doesn't think he's doing anything wrong--screamed at 4th floor neighbor that he's building a bed. It takes a month to build a bed?

I accidentally met the tenant in 2BR Monday morning. He asked me what floor I lived on and I said 3. He apologized for the noise and said he was hanging 2 chandeliers -- I didn't want to engage with him after what he did to the door of 3BR on Sunday morning and was super-creeped out by his following me from 2nd to 3rd floors, so I said OK and pretty much ran into my apartment, because I felt like he rushed to catch me in the building and up the stairs.

Thanks,

Miwa Messer
