You know how to multiply right?

$(\$1847.30 * 170) + (\$2395.00 * 13)$   
= Settled NYSCEF Matter 153974/2020.

For absolute transparency on this matter,

### **That's this Friday, June 3rd**

Just in case there was any confusion or some far  
fetched excuse for any further obstruction, appeal or  
any nonsense.

This is about the same amount of notice I was provided  
and with a threat to be incarcerated and held in contempt of  
court for not responding to an "emergency request" by the  
Zucker family. We can review those documents together and  
at any time if you would all prefer the long form, as the index  
herein attached suggests.

Thank you again and in advance for mitigating the risk of  
those ill advised counselors in this matter; both to Miss  
Hochul and also Mayor Adam's for your oversight on this

Attached here are the relevant documents for convenience and ease of reference.

NOT CEASE AND DESIST UNTIL I HAVE BEEN AWARDED  
FOR THE OPPORTUNITY COST, harassment, violation of  
privacy, breach of contract, and as stated prior:

This is a non-joinder and a victory by default for me, and requires no further continuance, unless that is what you prefer or feel is a better option.

Most respectfully,

170lbs, give or take while considering the weight of the carried interest.
